Sir,

Sub:-Arrear claims--South Kanara District--Nursing orderlies Revised scale.

59901 I forward herewith two bills claiming the arrears of pay and allowances due to the Nursing Orderlies II Grade Government Wenlock Hospital Mangalore and Government Hospital Puttur, South Kanara District together with a copy of the letter C.No.31-C2/52 dated 25-11-52 of the District Medical Officer South Kanara District for favour of sanction of the Government and their transmission to the Accountant-General Madras for preaudit. The delay in the claim is not due to the fault of the Nursing Orderlies concerned.

Yours faithfully,

For Director of Medical Services.

Copy of letter from the District Medical Officer, South Kanara Mangalore C.No.31-C2/52 dated 25-11-1952.

Sub:-Nursing Orderlies, Grade II (Qualified)--Revised Scale of pay sanctioned in G.O.No.Ms.4096 Health dated 1-12-1950--Retrospective effect to claim arrears of pay from 1-7-1949 as per Govt. Memo. 6972-M/52-2 Health dated 6-4-1951.

A copy of this office letter C.No.31-C2/52 dated 14-10-1952 addressed to the Accountant-General, Madras, in connection with the arrear bill of the Nursing Orderlies II Grade, Govt. Wenlock Hospital, Mangalor sent for preaudit, and his reply thereon are appended for your information.

2. The delay in claiming the arrears of pay and allowances due to the Nursing Orderlies II Grade is explained in my letter addressed to th Accountant-General, Madras a copy of which is appended. In this case the date of detection of underpayment to the Nursing orderlies referred to by the Accountant-General in para 1 of his letter may be taken as 18-7-1952, i.e. the date when the question was referred for clarification to the Director of Medical Services, Madras, if necessary. As the arrear claim has arisen due to no fault on the part of the Nursing Orderlies in claiming their pay etc. I consider that full arrears should be granted to them. I request you therefore to please address the Government in the matter for necessary sanction for the payment of the arrears

3.What is said above relates to the Nursing Orderly, attached to the Government Hospital, Puttur also. This female Nursing Orderly was on study leave for undergoing Maternity Asst's training in the Govt. Lad Goschen Hospital, Mangalore. She put in her claim for the arrears with effect from 1-7-49, in her letter dated 29-2-52 to the Medical Officer, Government Hospital, Puttur. The matter is under correspondence since this date. The Govt. may be addressed to sanction the arrears in this case also.

4.The arrear bills of the Nursing Orderlies, Gr.II (Qualified) of Government Wenlock Hospital, Mangalore and Govt. Hospital, Puttur are enclosed herewith for necessary action.

Copy of this office letter C.No.31-C2/52 dated 14-10-52 to the Accountant General, Madras.

In G.O.No.Ms.4096 Health dated 1-12-1950, the scale of pay of the Nursing Orderlies, Grade II (Qualified) was revised by Government with effect from 1-7-1949 from 17-½-(A)-25 to 19-½-(A)-25 and permitted to draw arrears of pay with effect from 1-11-1950.

p.t.o.

In Government Memo.No.6972-M/51-2 Health dated 6-4-51, Government permitted to draw the arrears with retrospective effect, from 1-7-49. As this Government Memo.was issued in partial modification to the orders contained in G.O.No.Ms.4096 Health dated 1-12-1950, it was thought that there is no alteration regarding the drawal of the arrears which was already ordered to be drawn from 1-11-50 in the original G.O. on 18-7-52, the matter was finally referred to the Director of Medical Services, Madras for clarification of doubt on this point, and he has instructed this office to draw arrears from 1-7-1949.

I am herewith forwarding an arrear bill for the period from 1-7-49 to 20-3-51 for Rs.304/- in respect of the Nursing Orderlies Grade II of the Government Wenlock Hospital, Mangalore. The Gross and net amount of the bills in which the amounts now claimed were short drawn and date of their encashment at Huzur Treasury, Mangalore is also enclosed in a separate sheet of paper. I request that the bill may be preaudited and returned to this office at an early date.

Ref:-Your letter No.C.No.31-C2/52 dated 14-10-1952.

The date of detection of underpayment to the Nursing Orderlies Gr.II referred to in the preaudit bill received with your letter cited above may be stated and the claim in the bill restricted to a period of one year prior to that date and the revised claim sent to this office for preaudit and payment. If a larger concession is needed, the sanction of the Government will be necessary under Art.54 M.F.C.i.

2. A certificate to the effect that the arrears claimed in the bill were not drawn before should be furnished.

3. The bill is herewith returned

--

The arrear claim bill under reference is dated 12-9-52 and this date was to be taken as the date of detection of underpayment in the case, in the absence of any information ~~xxxxxxxxxxxxxx~~ furnished in the bill to the contrary. Under the provisions of Art.54,M.F.C.
